**Gaithersburg, MD (May 25, 2021)** - In celebration of Asian Pacific American Heritage Month, the City of Gaithersburg and its Multicultural Affairs Committee (MAC) present an exhibit featuring the artwork of the Harmonious Art Group, on display through July 11, 2021, at the Activity Center at Bohrer Park, 506 South Frederick Avenue, Gaithersburg, Maryland. Viewing is by appointment, Monday through Friday from 8 a.m. to 4 p.m.

This year celebrates the 21<sup>st</sup> Annual Exhibition of the Harmonious Art Group at the Activity Center. Group members will exhibit works that encompass both traditional and contemporary Asian styles.

The **Harmonious Art Group** was founded in 1995 by Bertrand Mao, master of Chinese Shan-Shui (Mountain-Water) and calligraphy, and John Wang, master of Chinese calligraphy and seal cutting, to share the beauty of this ancient art form with the community. Over the years members have incorporated new techniques and styles demonstrating the diversity of Chinese art. Examples of the work included in this year's exhibit will be featured on Facebook at <https://www.facebook.com/ArtsontheGreen>.

Please note that most of the featured artwork is for sale and all images are copyrighted by the artists.
